EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Douglas Jackson on October 26, 2006.

The application has been amended as follows:

In the claims:

Claim 2: "a first line segment" in line 19 has been replaced with --a first straight line segment--.

2. The following is an examiner's statement of reasons for allowance:

The prior art does not disclose or suggest a method for producing a drawing of an elliptical structure which is symmetric about the major axis and the minor axis thereof, comprising the steps of: drawing with an instrument a first circular segment of the first quadrant by arbitrarily establishing a first fixed point selected from an infinite number of usable points along an extension of the minor axis and drawing with an instrument a second circular segment of the first quadrant by arbitrarily establishing a second fixed point selected from an infinite number of usable points along said first straight line segment in combination with the remaining limitations of the claims.

Art Unit: 2859

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
